Docket No. 98N-1265
375 Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Please leave the consumers the right
to choose alternative options for medications.
The FDA has enough control now!
I object to the "definition of inordinate amount"
described in the M.O.U. My prescription
relieves symptoms and allows me to not
rely on horse urine for my hormone replacement!
